ABOUT COURSE

This is a value-added course offered by the Department of Chemistry, Krishnagar Govt. College. Students will get a certificate after completion of the course. The total duration of the course is 32 hours.

IMPORTANCE OF CHEMISTRY IN DAILY LIFE

Chemistry plays a crucial role in our daily lives, impacting everything from the food we eat to the medicines we take. Understanding chemical reactions helps us cook nutritious meals and preserve them for longer periods. In medicine, chemistry is instrumental in creating pharmaceuticals that treat various ailments, improving healthcare outcomes globally.

COURSE COORDINATOR

Dr. Abhijit Biswas
Assistant Professor in Chemistry
Krishnagar Govt. College
