## Criterion 4 - Infrastructure and Learning Resources Key Indicator – 4.1 Physical Facilities

### 4.1.1 Availability of adequate infrastructure and physical facilities viz., classrooms, laboratories, ICT infrastructure, facilities for cultural and sports activities, gymnasium, yoga centre etc. in the institution

Krishnagar Government College, the oldest college in Nadia district in West Bengal, was founded in 1845. It spreads over 36.06 acres (145929.64 sq meters) of land consisting of multitude of buildings with a built up area of 10028 sq. meters. The infrastructure and facilities in this prestigious institute are listed below –

1. The Main building, the heritage building of this institute, houses departments of History, English, Sanskrit, Political Science, and Economics consisting of 9 classrooms, 2 staff-rooms, 1 conference room and seminar libraries of the above-mentioned departments. The Main building also accommodates the Principal's office, the IQAC room, 1 sports room, 1 gymnasium and 1 Girls' common room. It also hosts the NSOU study centre. The NCC unit of the institute, initiated from academic year 2023-24, is also accommodated in the Main building.
2. The Philosophy building houses Post Graduate Departments of Philosophy consisting of 3 class rooms and 1 staff room.
3. The Bengali building houses the Post Graduate Department of Bengali consisting of 3 classrooms and 1 staff-room.
4. The Geography building accommodates the Post Graduate Department of Geography consisting of 4 classrooms, 1 computer laboratory and 1 seminar library cum laboratory.
5. The Chemistry Building accommodates the Department of Chemistry consisting of 3 classrooms, 5 laboratories (1 Physical Chemistry Lab, 4 laboratories for Inorganic Chemistry and Organic Chemistry), 1 Computer room, 1 Seminar Library room and 1 Staff-room.
6. The Mathematics & Statistics building houses two departments -- the Department of Mathematics and the Department of Statistics. The building consists of 3 classrooms, 1 Computer laboratory room and 2 staff-rooms.
7. The two-storied Physics building accommodates the Department of Physics consisting of 6 classrooms, 8 laboratories (2 laboratories for Optics, 3 Electrical Laboratories, 1 Electronics Laboratory, 1 Solid State Laboratory and 1 General Physics Laboratory), 1 Computer Laboratory and 1 Language Laboratory dedicated to the Department of English. Some

classrooms of this building are also used by other departments like Bengali and English. This building also hosts the Satyendranath Tagore Civil Service Study Centre, an initiative by the Government of West Bengal to train civil service aspirants.

8. The three storied Biology building hosts three departments.
  - Ground floor hosts the Department of Botany with 2 classrooms and 5 laboratories including 1 microbiology lab and 1 biochemistry lab. It also accommodates the Central Computer Centre equipped with 12 computers.
  - The first floor accommodates the Post Graduate Departments of Zoology consisting of 4 classrooms and 5 laboratories including a research lab. This department also maintain a museum for enhancing the students' interest.
  - Top floor hosts the Department of Physiology with 3 classrooms and 5 laboratories including 1 microbiology lab, 1 histology and 2 biochemistry laboratories.
9. Each of the Department of Geography, the Department of Mathematics and the Department of Physics has their dedicated computer laboratory.
10. A medicinal plant garden nurtured by Botany department and a museum facilitating hands-on knowledge on different animal species by Zoology department motivates and enhance the curiosity of students.
11. The institute facilitates 3 ICT enabled classrooms with fixed overhead projectors (1 in Main building, 1 in Physics building and 1 in Biology building) and portable ICT facilities for remaining classrooms for smooth conduction of teaching learning process and enhancing students' technological capabilities and facilitating modern teaching approaches.
12. The two-storied Central Library building possessing more than 1,00,000 books and journals provides distinctive academic opportunity to all stakeholders. It contains a very rich rare book section.
13. The institute provides several facilities to students which are listed below –
  - Outdoor sports: 1 very large playground and 2 large playgrounds facilitates different games like football, cricket, volley ball, badminton etc.
  - Gymnasium: A well-equipped gymnasium is hosted in the Main building.
  - Indoor games: 2 Common rooms (1 Girls' Common Room & 1 Boys' Common Room) equipped with Carom-board, Chess board and Table tennis.
  - Canteen: The institute accommodates a Students' canteen mainly for students' need.
  - Hostel: 2 Boys' Hostels and 1 Girls' Hostel provide accommodation to students coming from distant places with minimal expenses which ensure a conducive living environment.
  - Common Room & Union Room: There are 2 common rooms (1 Girls' Common Room & 1 Boys' Common Room) in the main building and 1 Students' union room.
  - Safe Drinking Water: RO filtered drinking water facility is present for students in the campus. Another RO unit is present in the campus for teachers as well.

Date .....

- Ramp & Wheel Chair: The institution has multiple ramps and one wheel chair to maintain barrier free and disabled friendly environment.
- Seminar Library: All departments maintain their seminar library for their students' convenience.
- Internet & Wifi: The institute provides high speed internet facilities and wifi to the students of this institute.
- Various Co-curricular Activities: The college promotes and inculcate various additional qualities of students by organizing different co-curricular activities like different cultural programs, participating in youth parliament, science exhibition, projects and seminar works etc.
- NSS: Embracing social responsibility, the college actively engages students in National Service Scheme (NSS) activities. NSS unit regularly arranges various awareness programmes like Dengue awareness, Thalassemia awareness, awareness against cyber-crime and also arranges blood donation camp in regular basis.
- NCC: The College offers NCC programmes from 2023-24 academic year which would help the enthusiast students towards their successful future.
- Career Counselling & Placement Cell: The College regularly arranged different seminars and workshop through Career Counselling & Placement Cell for students' future endeavour.

14. The institute arranges several events involving students, teachers and non-teaching staff to enhance their communication skill, team spirit and social skills. The programmes are generally organized in Room No. 1 in Main Building, Physics Gallery 1 & 2 in Physics Building. Large scale programmes are generally organized in Rabindra Bhabana and one of the College ground. Most of the programmes are organized and guided by skilled faculty members. The list of programmes are given below –

- Cultural Activities: Various well organized cultural programmes like International Mother Language Day, Rabindra Jayanti, Dwijendra Jayanti, Environment day, Women's day Independence day, Republic day, Basanta Utsav, Bijoya Sammilani and Students' fresher's welcome and farewell are enthusiastically celebrated in the campus.
- Sports Activities: Annual College sports are organized every year during winter consisting of different students' events and different events involving faculty members and non-teaching staff. Intra-departmental sports competition (Cricket, Badminton, Football) are organized for students, teachers and non-teaching staff.
- Academic Activities: Seminars and workshops are organized in the campus to celebrate different important days like National Science day, National Statistics day. Also e-magazines, wall magazines are published by the different departments. The institute promotes students to participate in different quiz competitions, science
