

National Workshop on *Plant Systematics in Practice: Tools, Techniques & Herbarium Skills*

Course Duration

December 8th to 15th, 2025

10:15 AM to 4:00 PM

Organized by
Department of Botany & IQAC
Krishnagar Government College
&
Department of Botany & IQAC
Nabadwip Vidyasagar College

Registration Fee:

Academicians: 1000/-
Research Scholars: 600/-
B.Sc/M.Sc Students: 300/-

Last Date of Registration: 5th December, 2025, 11:59 PM

How to Register

SUBHADIP CHAKRABORTY

Dr. Swati Das(Sur), 9832219463
Dr. Alokemoy Basu, 9432137598

About the Workshop

The Workshop on Plant Description and Herbarium Techniques aims to train participants in essential taxonomic skills, including observing diagnostic characters, preparing scientific descriptions, and using identification keys. The workshop covers field collection, proper specimen pressing, drying, mounting, labeling, and basic herbarium curation. By its completion, participants will be able to document plant diversity accurately, prepare standard herbarium specimens, and appreciate the importance of herbaria in research, biodiversity assessment, and conservation.

About the Colleges

Krishnagar Government College, founded in 1846 in Nadia, West Bengal, is a historic institution known for academic excellence. Offering various undergraduate and postgraduate programs, it maintains strong teaching traditions, active research culture, and supportive learning facilities, continuing to shape skilled, knowledgeable, and socially responsible graduates.

Nabadwip Vidyasagar College, established in 1942 in Nadia, West Bengal, is a renowned institution committed to quality higher education. Offering diverse undergraduate programs, the college promotes academic growth, research awareness, and cultural values. With dedicated faculty and supportive facilities, it continues to serve as an important educational hub in the region.

Who can Participate

- Academicians (University and college faculty members/ Scientists)
- PhD scholars and early-career researchers.
- Undergraduate and postgraduate students

Venue

Department of Botany Krishnagar Government College

Department of Botany, Nabadwip Vidyasagar College

Registration Fees

Category	Registration Fee (INR)
Academicians	1000/-
Research Scholars	600/-
M.Sc & B.Sc Students	300/-

National Workshop on Plant Systematics in Practice: Tools, Techniques & Herbarium Skills

Organized by

*Department of Botany & IQAC
Krishnagar Government College
&*

*Department of Botany & IQAC
Nabadwip Vidyasagar College*

**Duration : 8-15th December, 2025
10:15 AM to 4:00 PM**

Chief Mentor

Shri Aneesh Dasgupta, IAS, District Magistrate,
President, Governing Body, Krishnagar Government
College, Nadia

Shri Biman Krishna Saha, President,
Governing Body, Nabadwip Vidyasagar College,
Nadia

Advisory Committee

Prof. Zahed Hossain, University of Kalyani
Dr. Neera Sen Sarkar, University of Kalyani
Dr. Debabrata Pal, Nabadwip Vidyasagar College
Dr. Anjan Sengupta, Chakdaha College

Organizing Committee

Chief Patrons

Dr. Debnath Palit, Principal, WBSES, Krishnagar
Government College
Dr. Swapan Kumar Roy, Principal, Nabadwip
Vidyasagar College

Patrons

Dr. Kalidas Das, Co-ordinator, IQAC, Krishnagar
Government College
Dr. Samiran Senapati, Co-ordinator, IQAC, Nabadwip
Vidyasagar College

Conveners

Dr. Archan Bhattacharya, Head, Department of Botany,
Krishnagar Government College
Mr. Amit Haldar, Head, Department of Botany, Nabadwip
Vidyasagar College

Joint-Convenors

Dr. Alokemoy Basu
Dr. Swati Das (Sur)

Organizing Secretaries

Dr. Saswati Bhattacharya
Sri Abhra Abir Chowdhury

Joint-Organizing Secretaries

Dr. Anirban Chouni
Dr. Koushik Sengupta

Treasurer

Dr. Subhadip Chakraborty
Dr. Damayanti Bhattacharya

List of Tentative Resource Persons

Prof. Sobhan Kumar Mukherjee, University of Kalyani
Prof. Abhaya Prasad Das, University of North Bengal
Dr. Subhasis Panda, Singur Govt. Collge
Dr. Avishek Bhattacharjee, Botanical Survey of India
Dr. Basant Kumar Singh, Botanical Survey of India
Dr. Joydeep Acharya, Kalna College
Sri Partha Lodh, Kaliganj Govt. College
Ms. Sreyoshee Sen Sarma, Downtown University,
Assam

Key Learning Modules

- Fundamentals of taxonomy, species concepts, classification systems, ICN basics.
- Morphological and floral characters; diagnostic traits; floral diagrams.
- Fieldwork planning, ethical collection, GPS mapping, specimen pressing.
- Herbarium mounting, curation, storage, pest control, digitisation.
- Identification using keys; major angiosperm families.
- Molecular and numerical taxonomy; phylogeny basics.
- Report writing, presentations, conservation relevance.
- Field Trip: Bahadurpur Forest & BSI, Kolkata

Registration Form

Name: _____
Designation: _____
Department: _____
Institution: _____
Contact Number: _____
WhatsApp Number: _____

7-day workshop on “***Plant Systematics in practice: Tools, Techniques & Herbarium Skills***”

Jointly Organised By

Dept. of Botany, Krishnagar Government College & Dept. of Botany, Nabadwip Vidyasagar College

Tentative List of Resource Persons and Venue

Resource persons	Date	venue
Prof. Sobhan Kumar Mukherjee, University of Kalyani	8 th December,2025, Monday	Krishnagar Government College
Prof. Abhaya Prasad Das, University of North Bengal	09 th December,2025. Tuesday	Krishnagar Government College
Shri Partha Lodh, Asstt. Prof. WBES, Kaliganj Govt. College	10 th December 2025. Wednesday	Nabadwip Vidyasagar College
Dr Joydeep Acharya, Asstt. Prof., Kalna College	11 th December,2025. Thursday	Nabadwip Vidyasagar College
Avishek Bhattacharjee, Scientist ‘B’ and Dr Basant Kumar Singh, Senior Preservation Assistant	12 th December,2025, Friday	Botanical Survey of India, Shibpur.Howrah,
Dr Subhasis Panda, WBSES, Principal, Singur Govt. College	13 th December.2025, Saturday	Krishnagar Government College
Ms Shreyoshee Sen Sharma, Asstt. Prof., Downtown University, Assam	15 th December,2025, Monday	Nabadwip Vidyasagar College
