

Krishnagar Government College

Alumni Feedback 2023-24

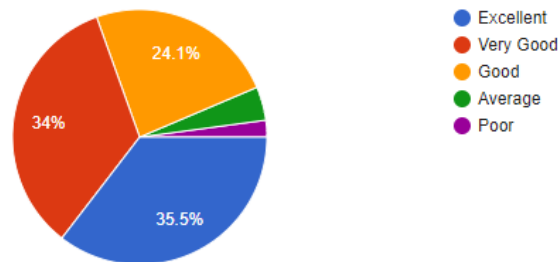

A questionnaire based survey was carried out to collect feedback from alumni/alumnae of this institution whom we could contact, 61% of them not being members of Alumni Association of the college. 141 responses were received. The time span with respect to the year of completion of course of study in this college is 1964- 2024.

Alumni/Alumnae responses to first 10 objective questions are presented below using diagrams:

1. How do you rate the courses that you have learnt in the college in relation to your current job/occupation (if retired, then read "current" as "previous")

Summary:

From the percentages found in the diagrams, it is revealed that majority of responses with respect to all the facilities they enjoyed in the college along with overall rating of the college are either 'excellent' or 'very good' or 'good'.

Next, they were asked to mention some points for which they feel proud to be associated with Krishnagar Government College as alumni/alumnae. Most of them have pointed out that its long heritage as prestigious institution with academic excellence, very open environment for

study, excellent and supportive faculty members they faced, facilities for extracurricular activities and good academic outcomes at the end of the day make them proud of their alma mater.

In response to the next question that whether they have any grievance with the college, 84% answered in negative. Those who have answered in positive have expressed their grievance related to unclean college campus and degradation in infrastructural facilities to some extent.

Finally, with respect to the question of contribution of the institution to the development of personality, more than 75% of the respondents have answered 'extensively' and remarkably'.
